

Training Completion Certificate

is hereby granted to

Arvester Thompson

Capital Area Accessory Distributor

for successful course completion of
Forklift Operator Safety

The training **only** satisfies the **classroom training requirement** for powered industrial truck certification. **Your certification is not complete.** A practical evaluation is required for compliance with OSHA regulations. Once your evaluation is completed and uploaded to myKPAonline, a new certificate with a wallet card will be available for download.

Completion Date: 10/17/2018

Expiration Date: 10/16/2021
