EXPERIENCE

Motivated and highly professional Home Depot Department Supervisor with 2+ years of experience in retail management. For fiscal year 2018 achieved a 24.7% sales increase over the prior year. Previously, owner and manager of a residential/commercial construction and remodeling business relying exclusively on customer referrals for success. I am a conscientious and hard working team member seeking to increase my skills and demonstrate continuous self improvement in sales, installations and managerial experience. I am determined to exceed company targets and clients' business goals. With a commitment to retaining clients for the long term I will diligently help them achieve their success.
